Berlin Treptow

Facts	
Built	1925
Price per m ²	starting at £850 only
Location	Berlin Treptow
Financing available	up to 70%
Specials	environmental friendly

This property was built in 1925. Most of the refurbishment took place in 2000 | 2001. Its new backyards are equipped with brand new playgrounds and communal areas.

This development is environmental friendly because of warm water supply through solar panel heating.

purchase price is depending on the type:

- Type I: unit without balcony at a price per m² of £850
Type II: unit with balcony at a price per m² of £985
Type III: penthouse unit at a price per m² of £1030

Treptow is an area in the borough of Treptow-Köpenick in Berlin. It is located in the south-east of the city. It also has the largest percentage of its area covered by forests and water.

Public transportation is secured with bus lines, tram and S-Bahn, taking you to the Alexanderplatz within 15 minutes, to Potsdamer Platz within 20 minutes and to the centre of the West within 25 minutes.
